TWIN VALLEY SCHOOL DISTRICT RECOGNIZES BUS DRIVERS *Appreciation Breakfasts Held Throughout the District*

ELVERSON, PA – In appreciation for all they do to get students to and from school safely, Robeson Elementary Center (REC), Honey Brook Elementary Center (HBEC) and the Twin Valley Elementary Center (TVEC) in the Twin Valley School District (TVSD) recently honored all of their drivers with an appreciation breakfast at each elementary building. Bus drivers are normally the first school representative a child sees each morning, as well as the last at the end of the day and they are a significant part of the school experience for students.

“Without a doubt, one of the most challenging jobs in a school district is being a bus driver,” said Mr. Jeff Ploppert, TVSD transportation director. “It takes a very special person to fill that role. Our 59 drivers and aides transport approximately 3,800 students daily over an 88 square mile area while all the while making sure that the students are safe.

The district’s transportation needs are accomplished through Eshelman and Krapf bus companies, transporting students to 44 public, non-public and special needs schools throughout Berks and Chester counties.

Each driver was presented with a small token of appreciation by the district, as well as a mini poster signed by the students on each of the driver’s routes.

###

Twin Valley School District is an equal opportunity public education institution that is committed to excellence in education. In partnership with parents and the community, the District aspires to prepare students for challenges in an ever-changing world.
