NEW FACE AT TWIN VALLEY MIDDLE SCHOOL
Mrs. Susan Lloyd New 5th & 6th Grade Principal

Elverson, PA – Twin Valley School District (TVSD) officials are pleased to announce that Mrs. Susan Lloyd, currently principal of the Honey Brook Elementary Center (HBEC), will become the 5th and 6th Grade Principal at the Twin Valley Middle School (TVMS) this month, replacing Dr. Cathy Taschner who has accepted a position as Assistant Superintendent of Pupil Services with the Oxford Area School District. Taschner was principal at TVMS for seven years.

Lloyd is a graduate of West Chester University with a Bachelor of Science degree in elementary education. She earned her master's degree in educational leadership from Immaculata University, and is scheduled to complete her doctorate in educational leadership from Immaculata this year.

Lloyd has been principal of HBEC for six years. She was previously an elementary principal in the Daniel Boone School District and prior to that, a teacher at both the Twin Valley Elementary Center (TVEC) and Robeson Elementary Center (REC) in TVSD. While at HBEC, she has overseen several important initiatives for the school including the implementation of quarterly review meetings to monitor student progress which have resulted in higher student PSSA scores. In conjunction with the parents and the community, she assisted with and oversaw the complete renovation of the school's playground in just three years. Her most recent program at HBEC has been the implementation of the internationally renowned Olweus Bullying Prevention program.

“While I'll miss working with the students, parents and faculty at HBEC,” said Lloyd, “I look forward to the opportunity to work with the older students, a new faculty and the parents at TVMS.”

Lloyd is a resident of Pottstown where she lives with her husband Mark. They are the parents of two grown children, David, a student at Alvernia University in Reading, and Mary, a recent graduate of St. Joseph's University in Philadelphia.

###

Twin Valley School District is an equal opportunity public education institution that is committed to excellence in education. In partnership with parents and the community, the District aspires to prepare students for challenges in an ever-changing world.
