ELEMENTARY STUDENTS WELCOME NEW NEIGHBOR

Twin Valley Elementary Students Provide Donation to Twin Valley Fire Department

Elverson, PA – Twin Valley School District (TVSD) officials are pleased to announce that the Bottom Blue neighborhood in the Twin Valley Elementary Center (TVEC) recently donated \$555.00 towards the new Twin Valley Fire Department (TVFD) which will be built near the Elementary Center.

The entire school began the year with a commitment to focus on giving back to the Twin Valley community through service projects. Bottom Blue decided to welcome its newest community member – the Fire Department – as its service project. Students and staff took part in an opening assembly where members of the TVFD explained the merger of the Elverson and Morgantown Fire Departments as well as a tour of their fire engine.

Students collected money throughout the fall, amounting to the \$555.00, which was supplemented by an additional \$200.00 from the Twin Valley Partners in Education (PIE) group with their annual contribution of \$200.00 for a grand total of \$755.00.

Students from Bottom Blue attended the ground breaking ceremony, where they wore fire chief hats and were recognized for collecting the donation. The TVFD allowed each student to dig a small amount of dirt that will be placed in a cornerstone in the new building and dedicated to the Bottom Blue neighborhood.

Classrooms that participated included Mrs. Bell – Kindergarten, Mrs. Barton – Primary Multiage, Mrs. Burns – Primary Multiage, Mrs. Lobley – Grade 3, Mrs. Paris – Grade 3, Mrs. Beam – Grade 3, and Mrs. Peterson – Gifted.
